

MAIN MENU ITEM / PANEL	PAGE	ISSUE
1. EDITS WHICH APPEAR TO BE STILL OUTSTANDING		
Learning at Malahide		These links should be for the following (as in Figma template): Junior Certificate Transition Year Leaving Certificate Adult Education
Privacy Notice (footer)		Replace with supplied pdf
Extra Curricular		Reformat Extra Curricular Activities paragraph as a list (the reference to Creative Writing Competition was simply for title style to be used for this item): <ul style="list-style-type: none"> • School Musical • Creative Engagement • Quizzes • Debating • Art • Competitions • Drama • Variety Show • Service and Leadership • Gaisce Awards • Prefect System • Buddy System • Library • Student Council • European Youth Parliament • U.N. The School Link Programme • Sky Sports Programme • Young Scientist Maths Olympics • Poetry • Creative Writing Competition • Board Games
Admissions		Create landing new page for this menu item and include text supplied in folder 6.1 of the Drive (format as other pages). Link button on Register panel to this page.

2. FRESH EDITS		
BANNER PHOTOS (general)		Is it possible to fix the reactive parameters so that faces are not cut off from the top part of the photo when viewed on wider screens? eg Technologies page; Inspections page.
HOMEPAGE	Our School	These photos should be a feed of the 5 most recent photos from the Gallery so it is an active panel.
	School Crest	School name 'Malahide Community School' to be on one line (not split over two lines)
News		Replace test feed with live feed from school – school ID is 6 – use the WP-plugin and send us back the details we need to finalise (as per guidelines).
Calendar		1) School crest is overlaps page header on wide view 2) I see you are still working on this with Sonali
Gallery		Feed is connected but photos not displaying in date order – see screenshots from App attached.
About	Policies	**new docs to be supplied by client** - these will replace existing links. All pdfs to open within website
