

First Year Book list 2021-2022

Please read carefully:

Dear Parent/Guardian,

Books/stationary may be purchased in a bookshop of your choice.

However, we have been working with Bookhaven and the book lists are available on

www.bookhaven.ie using the quickcode: **kspn1y**

There is a **12% discount** on all new books purchased via BookHaven for incoming 1st years using this code for all orders before 2nd August.

The vast majority of books come with a **free** digital ebook also.

This ebook should be downloaded to the student iPad (via the relevant publisher app/website) prior to the school year for use in class - *if you experience difficulty downloading books, our IT dept will be able to assist in school so please don't worry.*

We ask that students use iPads (ebooks) in school and leave the heavy hard copy books at home.

Please note: iPads are used regularly for engagement with Schoology (our integrated digital learning platform) and many other apps (e.g. Kahoot, Quizlet, Duolingo, etc) during the school day.
